

2005 Connecticut State Building Code

(Effective 31 December 2005 and amended 1 August 2009)

The 2005 State Building Code comprises the following model building codes with a state supplement and may be obtained from the sources listed below:

2003 International Building Code*
2003 International Mechanical Code
2003 International Plumbing Code
2003 International Existing Building Code
2006 International Energy Conservation Code
2003 International Residential Code*
ICC/ANSI A117.1-2003 Accessible and Usable Buildings and Facilities (handicapped code)
2005 National Electrical Code (NFPA 70)

*Connecticut Specific Editions of these two codes are available with the state supplement language already incorporated. The 2009 state amendments are not incorporated in these editions
